

Hunters ...

We need your help!

- ★ When having your deer processed, ***please consider donating 1 lb. of ground*** venison to the **Manna Food Project**. *(see below)
- ★ The Manna Food Project provides food to pantries in our area. On average 4,976 people per month are being served by Emmet County food pantries.
- ★ You can play a **big role** with a small donation.
- ★ Our Rotary Club has taken this on as a project and our goal is to collect 1000 lbs. of venison this season for Manna. All donations are packaged into 1lb packages of ground and given to families along with recipes and cooking instructions. The families appreciate the donation and are thrilled to get venison.

The following deer processors are participating:

Walloon Lake Village General Store – Walloon Lake

Jurek's Meats & Grocery - Pleasantview Rd.

Tannery Creek Meat Market - Petoskey
